Benefits for Award Winners

Label

With the official label of the German Mobility Award, the award winners and shortlisted projects receive a seal of quality for their innovative strength in the mobility sector for use in public relations.

Certificate

The award winners of the German Mobility Award will receive a trophy, which will be presented on stage by the Federal Ministry for Digital Affairs and Transport.

Feedback on the submission

Picture: Some of the members of the jury of the German Mobility Award 2022 © C. Loeffler

Each submission on the shortlist receives individual and transparent feedback from the jury, which provides concrete suggestions and promotes the further development of the participants.

The media-effective highlight of the competition is the award ceremony, where the trophies and certificates are presented to the award winners, the shortlisted projects are honored and the audience award is presented. The award winners will then be announced in the press release with a detailed description of the project.
